FIG. 3 is a screenshot of a computer interface showing a list of items, a search results window, and a detailed view of a specific item. The interface includes a sidebar with a tree view of folders and files, a main search results area, and a detailed view of a selected item. The search results area shows a list of items with columns for Name, Date, and Size. The detailed view shows the contents of a selected item, including a list of files and folders.
